

# YOUNG.WORKSPACES

## Who are we?

Young Workspaces is a vibrant network of modern workspaces located in prime destinations worldwide, including New York City (USA), Valencia (Spain), and Amsterdam and The Hague (Netherlands). At Zeestraat 100 in The Hague, we offer private offices, dedicated desks, meeting rooms, and virtual offices for entrepreneurs, scale-ups, and creative professionals. More than just space, our locations provide professional facilities and communal areas helping your business grow.

## About Zeestraat 100, The Hague

Zeestraat 100 is ideally situated in the heart of The Hague, near the Vredespaleis and city center, offering both prestige and convenience. Easily accessible by tram, bus, car, and major highways (A4, A12, A13, A44/N44), it features an on-site parking garage and nearby options, ensuring excellent connectivity for tenants and visitors.

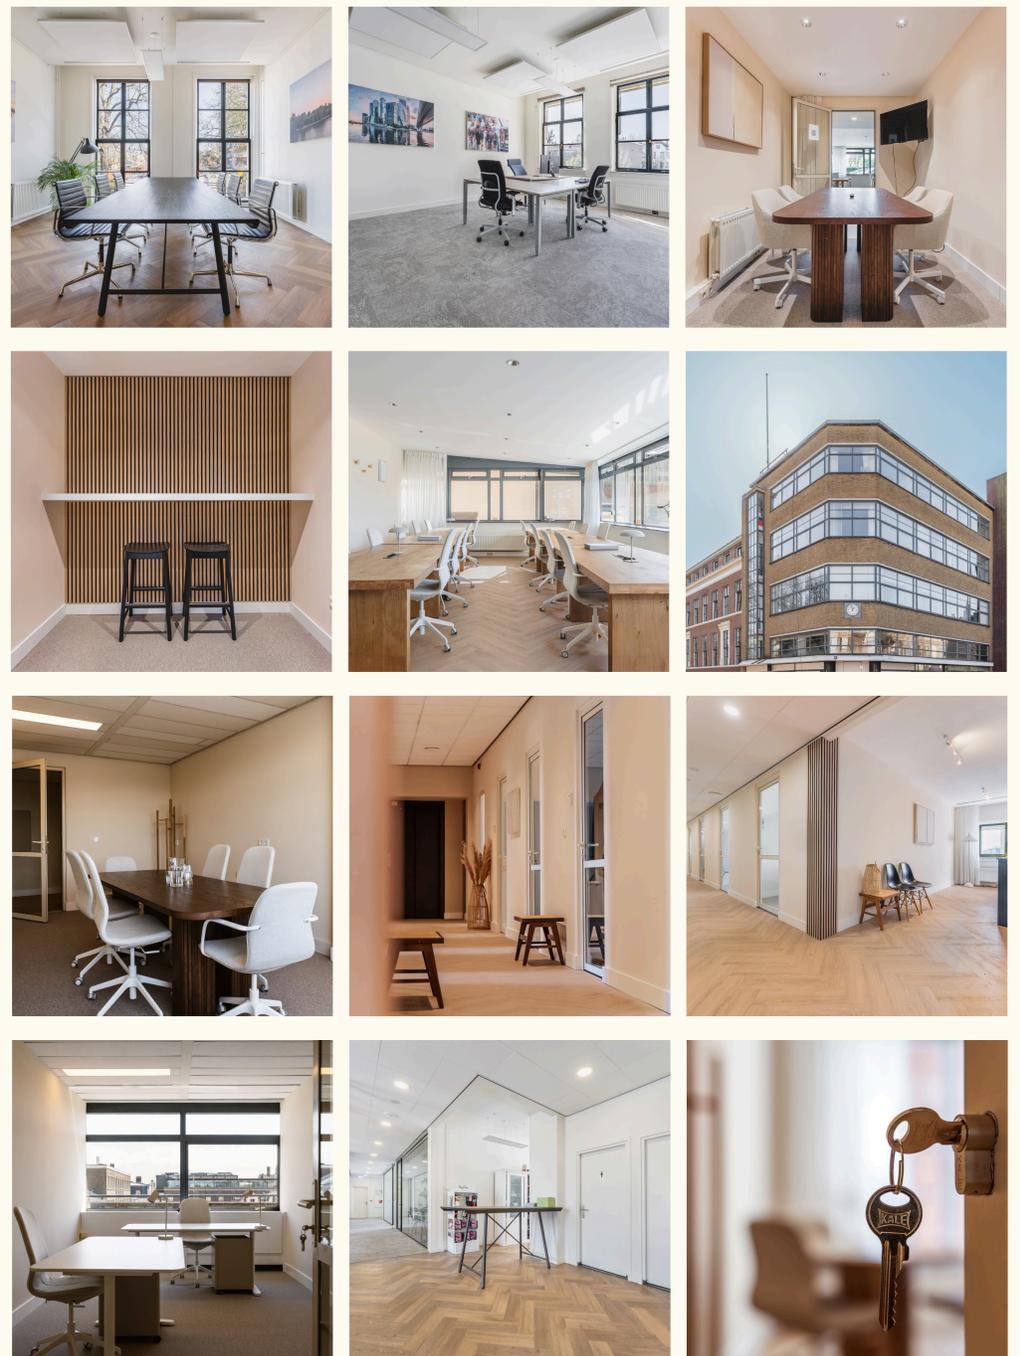

### Why rent at Zeestraat 100?

- Prime, representative location in The Hague
- Airconditioning, heating, and high-speed WiFi
- New coffee and sandwich bar
- 24/7 access and flexible lease terms
- On-site parking garage
- High-quality, fully furnished spaces (optional additional furniture)

## What do we offer?

We provide flexible and modern workspaces designed to suit your business needs. Choose from **private offices starting from €800/month**, **dedicated desks starting from €150/month**, or **virtual offices starting from €55/month**, all equipped with professional facilities, high-speed WiFi, and access to meeting rooms and communal areas. Our spaces are fully furnished, with optional additional furniture, and come with 24/7 access to support your productivity.

- 32 unique units (10–48 m<sup>2</sup>), combinable for larger teams
- Flexible rental options from €800–€3,000/month (incl. service costs)
- Virtual offices starting from €55/month and desks starting from €150/month
